

Mrs Heather Mitchell

1986-89

The only woman to hold the post as President of the Victorian Farmers Federation in its 24-year history was Mrs Heather Mitchell.

Mrs Mitchell is credited for being one of the founders of the Landcare program, where under her Presidency, the VFF and Victorian Government entered into a partnership to establish this natural resource management initiative.

Professionally a nurse and a former partner in a pharmacy in Hopetoun, Mrs Mitchell was also an announcer for ABC Radio.
