# YOUR LEVY. BACKING GRAIN GROWERS

*Strong governance. Real advocacy. Your voice at the table.*

## CONTRIBUTION

Growers contribute to strengthen advocacy for their industry.

## TRANSPARENT

Income and expenditure reported and managed by the VFF Grains Council.

## VFF-GOVERNED

Managed under the VFF's Constitution and chart of accounts.

## GRAINS COUNCIL ADVOCACY

The issues we are representing growers on

Grain  
market access  
opportunities  
and issues

Agricultural  
chemicals  
access and  
regulation

Grain  
freight and  
infrastructure

Input costs

GRDC  
investment in  
grains-specific  
R&D

## GOOD GOVERNANCE

Your levy is managed with the rigour growers deserve.

The Grains Council manages levy funds through the VFF Grains budget, with its own dedicated account in the VFF's chart of accounts, regular reporting on income and expenditure, and a seat in the budgeting process.

## WHERE YOUR LEVY GOES

Your levy powers the VFF Grains Council's advocacy for grain growers and the Victorian grains industry.

- ☒ Ensures representation with the Victorian Government, industry and peak bodies
- ☒ Resources a dedicated policy role to support the Council
- ☒ Covers the National affiliation fees

So grain growers keep a seat at the decision-making table.

## COMMIT YOUR LEVY THIS HARVEST

Grain growers built this advocacy. Commit your levy this harvest and help keep it strong.
