# FARM SAFETY ASSISTANCE

You are responsible for everyone on your farm:

- Employees
- Casuals
- Labour Hire
- Contractors
- Subcontractors
- Farm visitors
- Your family and friends

Health and safety laws require the provision and maintenance of a working environment that is safe for everyone and without risks to health.

## Why should you use this service?

Should someone be injured on your farm you may need to prove that you have provided a safe and healthy workplace. The best way to do this is if you have the records to prove it.

This service will assist you to take those records.

## What does this service provide?

This service helps to set you up with the foundations of a simple safety process to manage health and safety at your farm.

The assistance will include:

- Providing advice on what is required specific to your farm.
- Providing formats for:
  - Induction
  - Safety rules
  - Policies
  - Safe work procedures
  - Training
  - Chemical register
  - Engaging contractors
- Explaining the easiest way to keep records.
- Explaining how to manage contractor's health and safety.
- Provide you with confidence that safety can be managed as part of the way you do business.
