Independent Auditor's Report

To the Members of Victorian Farmers Federation Industrial Association

Report on the audit of the financial report

Opinion

We have audited the financial report of Victorian Farmers Federation Industrial Association (the Reporting Unit), which comprises the statement of financial position as at 30 September 2020, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, the Executive Committee Statement, the subsection 255(2A) report and the Officer Declaration Statement.

In our opinion, the accompanying financial report presents fairly, in all material aspects, the financial position of Victorian Farmers Federation Industrial Association as at 30 September 2020, and its financial performance and its cash flows for the year ended on that date in accordance with:

- a the Australian Accounting Standards; and
- b any other requirements imposed by the reporting guidelines or Part 3 of Chapter 8 of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

We declare that management's use of the going concern basis in the preparation of the financial statements of the Reporting Unit is appropriate.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Reporting Unit in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical requirements in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the financial report and auditor's report thereon

The Executive Committee is responsible for the other information. The other information obtained at the date of this auditor's report is in the operating report accompanying the financial report.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Executive Committee for the financial report

The Executive Committee of the Reporting Unit is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *RO Act*, and for such internal control as the Executive Committee determines is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Executive Committee is responsible for assessing the Reporting Unit's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive Committee either intend to liquidate the Reporting Unit or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Reporting Unit's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Executive Committee.
- Conclude on the appropriateness of the Executive Committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Reporting Unit's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Reporting Unit to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Reporting Unit to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the Reporting Unit audit. We remain solely responsible for our audit opinion.

We communicate with the Executive Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We declare that A J Pititto is an approved auditor, a member of The Institute of Chartered Accountants Australia and New Zealand and holds a current Public Practice Certificate.

Other matter

The Executive Committee Statement reflects that Victorian Farmers Federation Industrial Association has not undertaken any recovery of wages activity during the reporting period ended 30 September 2020. As such, no opinion is provided in relation to recovery of wages activity.

COMMITTEE'S OPERATING REPORT FOR THE YEAR ENDED 30 SEPTEMBER 2020

The Executive Committee presents its operating report on Victorian Farmers Federation Industrial Association ("VFFIA" or "the Association" or "the Reporting Unit") for the financial year ended 30 September 2020.

Review of principal activities, the results of those activities and any significant changes in the nature of those activities during the year

The principal activity of the Association during the year has been promoting the industrial interests of Victorian farmers.

The operating result of the Association for the financial year amounted to \$nil (2019: \$nil).

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a pandemic, which continues to spread globally as well as in Australia. The spread of COVID-19 has caused significant volatility in Australian and international markets. There is significant uncertainty around the breadth and duration of business disruptions related to COVID-19 and therefore the Association has taken precautionary measures by implementing a COVIDSafe Plan across all sites, and ensuring that employees are working from home where possible and practical. Management believes that this will allow continued operation of the business and permitting activities. At the date of this report, the impact of these measures are not expected to significantly impact the operations of the Association.

There has been no significant change in the nature of the Association's activities during the financial year, except for the above mentioned impacts of COVID-19.

Significant changes in financial affairs

No significant changes in the Association's state of financial affairs occurred during the financial year.

Right of members to resign

Rule 13.1 A member of the Association may resign from membership by written notice addressed and delivered to the Executive Committee. The notice may be sent electronically.

Rule 13.2 A notice of resignation from membership of the Association takes effect:

- where the member ceases to be eligible to become a member of the Association:
 - i. on the day on which the notice is received by the Association; or
 - ii. on the day specified in the notice, which is a day not earlier than the day when the member ceases to be eligible to become a member; whichever is the later; or

- in any other case:
 - i. at the end of 2 weeks after the notice is received by the Association; or
 - ii. on the day specified in the notice; whichever is the later.

Officers or members who are superannuation fund trustee(s) (include position details) or director of a company that is a superannuation fund trustee where being a member or officer of a registered organisation is a criterion for them holding such position.

Alan Bowman is a Director of Prime Super. No other Committee Member or Employee of VFFIA is a trustee of a superannuation entity or an exempt public sector superannuation scheme; or a director of a company that is a trustee of a superannuation entity or an exempt public sector superannuation scheme, other than in relation to personal family superannuation funds.

EXECUTIVE COMMITTEE STATEMENT
FOR THE YEAR ENDED 30 SEPTEMBER 2020

On the 16 December 2020 the Executive Committee of the Victorian Farmers Federation Industrial Association passed the following resolution in relation to the general purpose financial report (GPFR) for the year ended 30 September 2020:

The Executive Committee declares that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with any other requirements imposed by the Reporting Guidelines or Part 3 of Chapter 8 of the *Fair Work (Registered Organisations) Act 2009* (the RO Act);
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable; and
- (e) during the financial year to which the GPFR relates and since the end of that year:
 - (i) meetings of the Executive Committee were held in accordance with the rules of the organisation including the rules of a branch concerned; and
 - (ii) the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
 - (iii) the financial records of the reporting unit have been kept and maintained in accordance with the RO Act; and
 - (iv) the organisation consists of one reporting unit; and
 - (v) where information has been sought in any request by a member of the reporting unit or Commissioner duly made under section 272 of the RO Act has been provided to the member or Commissioner; and
 - (vi) where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.

This declaration is made in accordance with a resolution of the Executive Committee.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2020

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation

The financial statements are general purpose financial statements and have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period, and the Fair Work (Registered Organisation) Act 2009. For the purpose of preparing the general purpose financial statements, the Victorian Farmers Federation Industrial Association (“VFFIA” or “the Association” or “the reporting unit”) is a not-for-profit entity.

The financial statements have been prepared on an accrual basis and in accordance with the historical cost, except for certain assets and liabilities measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

Comparative amounts

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

Critical accounting judgements and key sources of estimation uncertainty

In the application of the Association’s accounting policies, management is required to make judgements, estimates and assumptions about carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Adoption of new and revised accounting standards

In the current year the Association has adopted all of the recognition and measurement requirements of new and revised standards and interpretations issued by the Australian Accounting Standards Board (AASB) that are relevant to its operations and effective for the current annual reporting period.

AASB 15 Revenue from Contracts with Customers

The Association has adopted AASB 15 from 1 October 2019. The standard provides a single comprehensive model for revenue recognition. The core principle of the standard is that an entity shall recognise revenue to depict the transfer of promised goods or services to customers at an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The standard introduced a new contract-based revenue recognition model with a measurement approach that is based on an allocation of the transaction price. This is described further in the accounting policies below. Credit risk is presented separately as an expense rather than adjusted against revenue. Contracts with customers are presented in an entity’s statement of financial position as a contract liability, a contract asset, or a receivable, depending on the relationship between the entity’s performance and the customer’s payment. Customer acquisition costs and costs to fulfil a contract can, subject to certain criteria, be capitalised as an asset and amortised over the contract period.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2020

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Adoption of new and revised accounting standards (continued)

The adoption of AASB 15 did not have a material impact on the Association's statement of profit or loss and other comprehensive income, statement of financial position or statement of cash flows for the year ending 30 September 2020.

AASB 1058 Income of Not-for-profit Entities

The Association has adopted AASB 1058 from 1 October 2019. The standard replaces AASB 1004 'Contributions' in respect to income recognition requirements for not-for-profit entities. The timing of income recognition under AASB 1058 is dependent upon whether the transaction gives rise to a liability or other performance obligation at the time of receipt. Income under the standard is recognised where: an asset is received in a transaction, such as by way of grant or donation; there has either been no consideration transferred, or the consideration paid is significantly less than the asset's fair value; and where the intention is to principally enable the entity to further its objectives. For transfers of financial assets to the entity which enable it to acquire or construct a recognisable non-financial asset, the entity must recognise a liability amounting to the excess of the fair value of the transfer received over any related amounts recognised. Related amounts recognised may relate to contributions by owners, AASB 15 revenue or contract liability recognised, lease liabilities in accordance with AASB 16, financial instruments in accordance with AASB 9, or provisions in accordance with AASB 137. The liability is brought to account as income over the period in which the entity satisfies its performance obligation. If the transaction does not enable the entity to acquire or construct a recognisable non-financial asset to be controlled by the entity, then any excess of the initial carrying amount of the recognised asset over the related amounts is recognised as income immediately. Where the fair value of volunteer services received can be measured, a private sector not-for-profit entity can elect to recognise the value of those services as an asset where asset recognition criteria are met or otherwise recognise the value as an expense.

The adoption of AASB 1058 did not have a material impact on the Association's statement of profit or loss and other comprehensive income, statement of financial position or statement of cash flows for the year ending 30 September 2020.

AASB 16 Leases

The Association has adopted AASB 16 from 1 October 2019. The standard replaces AASB 117 'Leases' and for lessees eliminates the classifications of operating leases and finance leases. Except for short-term leases and leases of low-value assets, right-of-use assets and corresponding lease liabilities are recognised in the statement of financial position. Straight-line operating lease expense recognition is replaced with a depreciation charge of the right-of-use assets and an interest expense on the recognised lease liabilities.

The Association had no active leases at 1 October 2019 or at any point during the financial year. As a result, the adoption of the standard had no impact on the Association's statement of profit or loss and other comprehensive income, statement of financial position or statement of cash flows for the year ending 30 September 2020.

No accounting standard has been adopted earlier than the application date stated in the standard.

Accounting standards and interpretations issued but not yet effective, and not early adopted

Certain new accounting standards and interpretations have been published are not mandatory for the financial year beginning 1 October 2019. The Directors do not believe that the adoption of these standards in future periods will have a material effect on the measurement of operating performance.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2020

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Significant accounting policies

The principal accounting policies adopted in preparation of the financial report are set out below. These policies have been consistently applied to all the periods presented unless otherwise stated.

(a) Revenue

Revenue from contracts with customers

Revenue is recognised at an amount that reflects the consideration to which the company is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the company: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

Membership subscriptions

Membership service revenue is recognised as the membership service is provided, which is typically based on the passage of time over the subscription period to reflect the Association's promise to stand ready to provide assistance and support to the member as required.

(b) Capitation fees and levies

Capitation fees and levies are recognised on an accrual basis and recorded as a revenue and/or expense in the year to which it relates.

(c) Employee benefits

Provision is made for the group's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. Those cash flows are discounted using market yields on national government bonds with terms to maturity that match the expected timing of cash flows.

Wages and salaries and annual leave

Liabilities for salaries and wages, including non-monetary benefits, and annual leave expected to be entitled within twelve months of the reporting date are recognised in current liabilities in respect of employees' services up to the reporting time and are measured at the amounts expected to be paid when the liabilities are settled.

Long service leave

The liability for long service leave is recognised in current and non-current liabilities, depending on the unconditional right to defer settlement of the liability for at least twelve months after the reporting date. The liability is measured as the present value of expected future payments to be made in respect of services provided by the employees up to the reporting date using the projected until credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match, as closely as possible, the estimated future cash outflows.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2020

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(d) Taxation

VFFIA is exempt from income tax under section 50.1 of the Income Tax Assessment Act 1997 however still has obligation for Fringe Benefits Tax (FBT) and the Goods and Services Tax (GST).

Revenues, expenses and assets are recognised net of GST except:

- where the amount of GST incurred is not recoverable from the Australian Taxation Office; and
- for receivables and payables.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the statement of cash flows on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the Australian Taxation Office is classified within operating cash flows.

(e) Cash and cash equivalents

Cash is recognised at its nominal amount. Cash and cash equivalents includes cash on hand, deposits held at call with bank, other short-term highly liquid investments with original maturity of 3 months or less that are readily convertible to known amounts of cash and subject to insignificant risk of changes in value and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

(f) Trade and other receivables

Trade receivables, loans and other receivables that have fixed or determinable payments that are not quoted in an active market are classified at amortised cost under AASB 9.

(g) Trade and other payables

Trade and other payables are initially measured at fair value, net of transaction costs and are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis.

(h) Contingent liabilities and contingent assets

Contingent liabilities and contingent assets are not recognised in the Statement of Financial Position but are reported in the relevant notes. They may arise from uncertainty as to the existence of a liability or asset or represent an existing liability or asset in respect of which the amount cannot be reliably measured. Contingent assets are disclosed when settlement is probable but not virtually certain, and contingent liabilities are disclosed when settlement is greater than remote.

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(i) Going concern

For the year ended 30 September 2020 the Association incurred a surplus of \$nil and at that date, had a working capital of \$4,019.

The VFFIA is reliant on the agreed financial support of Victorian Farmers Federation to continue on a going concern basis. This agreed financial support is to continue indefinitely. This is an interest free agreement with no repayment term.

The Executive Committee of the Association believes that the Association can continue to operate and meet its obligations as and when they fall due. The accounts of the Association have accordingly been prepared on the basis that the Association is a going concern.

NOTE 2. EVENTS AFTER THE REPORTING PERIOD

There were no events that occurred after 30 September 2020, and/or prior to the signing of the financial statements, that would affect the ongoing structure and financial activities of VFFIA.
